Invitation

MindSpace Conferences is delighted to invite you to attend the "2nd International Conference on FOOD SCIENCE & NUTRITION" scheduled to be held in Paris, France from June 09-11 , 2025. The conference will focus on the theme of "Food Science Innovations for a Sustainable Future" and will feature quality sessions, case-based presentations, research assessments, and group discussions led by global researchers who are experts in providing practical tips for daily clinical practice and professional growth in the field of FoodScience & Nutrition .

The conference will cover a wide range of advanced research topics in FoodScience & Nutrition, from basic to advanced, offering valuable insights into the latest advancements in the field. The detailed agenda of the FoodScience Conferences 2025 will include keynote presentations, oral sessions, panel discussions, poster presentations, workshops, symposiums, and a young researchers' forum, providing ample opportunities for learning, knowledge exchange, and networking. We look forward to welcoming you to this prestigious event and anticipate your valuable contribution to the discussions. Please kindly have a look at the tentative agenda for your reference. Thank you for considering our invitation, and we eagerly await your confirmation of attendance.

**Thanks and Best Regards,
Food Science Conference 2025
Organizing Committee Members**

About Past conference

The inaugural International Conference on Food Science and Nutrition, organized by Mindspace Conferences, took place from May 13-14, 2024, at the Mercure Paris Roissy Charles de Gaulle Hotel. This prestigious event brought together leading researchers, scientists, and industry experts from around the world to discuss and share insights on the latest advancements in food science and nutrition technologies. The conference featured a comprehensive program, including keynote speeches, panel discussions, and technical sessions on a wide range of topics related to food science and nutrition. Subjects covered included Food Chemistry, Nutritional Biochemistry, Food Safety, Functional Foods, and Nutrigenomics. Esteemed experts delivered keynote addresses, offering profound perspectives on the future of food science and nutrition, highlighting innovative research and emerging trends. Attendees had ample opportunities to connect with peers, exchange ideas, and explore potential collaborations. The conference facilitated a dynamic environment for networking, allowing participants to engage in meaningful discussions and build professional relationships that could lead to future projects and partnerships. An exhibition area was a key feature of the conference, where companies showcased their latest innovations and solutions in food science and nutrition. Exhibitors presented cutting-edge technologies and products, ranging from advanced food processing techniques to novel nutritional supplements and sustainable packaging solutions. This provided attendees with insights into the practical applications of recent scientific advancements. The 1st International Conference on Food Science and Nutrition was a resounding success, fostering knowledge exchange and sparking new initiatives to advance the global food science and nutrition agenda. Positive feedback from participants underscored the conference's pivotal role in promoting groundbreaking research and practical applications in the field. Attendees praised the event for its well-organized sessions and the high quality of the presentations and discussions. Overall, the International Conference on Food Science and Nutrition facilitated crucial discussions and knowledge sharing among experts in the field. It provided a platform for presenting innovative research and exploring new directions in food science and nutrition, contributing significantly to the advancement of the field and the promotion of sustainable food practices globally.

SCIENTIFIC SESSIONS

- **Food Preservation**
- **Principles of Food Science**
- **Food Nutrition and Dietary supplement**
- **Chemistry and Bio Chemistry of Foods**
- **Food and Chemical Toxicology**
- **The Human Microbiome**
- **Probiotics and Functional Foods**
- **Food addiction and eating disorder**
- **Food Hygiene and Sanitation**
- **Green Food Processing & Packaging Technologies**
- **Nutritional Disorders**
- **Nano Biotechnology**
- **Food-borne illness and allergies**
- **Healthcare and Nutrition**
- **Food Quality and Safety Regulations**
- **Food borne diseases and remedies**
- **Geriatric Nutrition**
- **Prebiotics and Probiotics food**
- **Food Production and Consumption**
- **Food Waste Management**
- **Nutritional Immunology & Food Allergies**
- **Food chemistry and Microbiology**

About Paris, France

Paris, the vibrant capital city of France, is a harmonious blend of historic charm and modern sophistication. Nestled on the banks of the Seine River, Paris exudes a unique atmosphere characterized by its iconic landmarks, charming streets, and commitment to art and culture. One of Paris's most iconic landmarks is the Eiffel Tower, a postcard-perfect symbol of the city that offers breathtaking views from its observation decks. The area around the tower is buzzing with activity, boasting numerous cafés, bars, and restaurants where locals and visitors alike gather to soak in the lively atmosphere. The Seine River also serves as a starting point for boat tours, allowing visitors to explore the city's waterways. Paris is renowned for its dedication to culture and the arts, exemplified by its extensive network of museums, art galleries, and historic monuments. The Louvre Museum houses an impressive collection of art, spanning centuries and featuring works by renowned artists such as Leonardo da Vinci, Michelangelo, and Rembrandt. The iconic Notre-Dame Cathedral offers a glimpse into Gothic architecture, while the SacréCœur Basilica provides panoramic views of the city from its hilltop location in Montmartre. Beyond its urban attractions, Paris offers ample opportunities for outdoor recreation and relaxation. The historic Luxembourg Gardens provide a peaceful retreat with beautifully manicured lawns, fountains, and sculptures, offering visitors a unique perspective of Paris's charm. Meanwhile, the Tuileries Garden offers insight into French history and garden design, allowing visitors to explore its grand pathways and historic features. Beyond its cultural attractions, Paris also provides ample opportunities for outdoor recreation and relaxation. Whether strolling along the picturesque banks of the Seine, exploring the city's numerous parks, or enjoying a leisurely bike ride through its streets, Paris offers something for everyone to enjoy amidst its historic charm and modern sophistication.

Benefits For Attendees

- 1. A certificate of participation & appreciation will be given to the participants by the International Organizing Committee.**
- 2. Opportunity to organize a workshop/symposium upon prior request.**
- 3. Publication of abstracts in conference souvenirs.**
- 4. Translators will be available at the venue for translation into English.**
- 5. Soft copy of the certificates will be sent upon prior request.**
- 6. One best exhibitor will be awarded USD 1500.**
- 7. Best 3 oral presentations will be awarded USD 1000 each.**
- 8. Best 5 poster presentations will be awarded USD 500 each.**
- 9. Special discount is available for group participants.**
- 10. Conference pictures and videos will be shared with participants without any additional wages.**
