## **ICFSN 2024**

The inaugural International Conference on Food Science and Nutrition, organized by Mindspace Conferences, took place from May 13-14, 2024, at the Mercure Paris Roissy Charles de Gaulle Hotel, Paris, France. This prestigious event brought together leading researchers, scientists, and industry experts from around the world to discuss and share insights on the latest advancements in food science and nutrition technologies. The conference featured a comprehensive program, including keynote speeches, panel discussions, and technical sessions on a wide range of topics related to food science and nutrition. Subjects covered included Food Chemistry, Nutritional Biochemistry, Food Safety, Functional Foods, and Nutrigenomics. Esteemed experts delivered keynote addresses, offering profound perspectives on the future of food science and nutrition, highlighting innovative research and emerging trends. Attendees had ample opportunities to connect with peers, exchange ideas, and explore potential collaborations. The conference facilitated a dynamic environment for networking, allowing participants to engage in meaningful discussions and build professional relationships that could lead to future projects and partnerships.
