# *Invitation*

MindSpace Conferences cordially invites you to the "International Conference on Applied Physics & Engineering" in Kuala Lumpur, Malaysia, from August 18 to 20, 2025. This year's conference theme is "**Applied Physics and Engineering for a Connected World: Innovations and Challenges**," which will showcase the most recent advances and future perspectives in these revolutionary domains.

The Applied Physics & Engineering Conference is a premier global event for researchers, engineers, and professionals to explore advancements at the intersection of physics and engineering. It offers a platform for presenting cutting-edge research, technologies, and applications in nanotechnology, quantum engineering, materials science, and renewable energy. Attendees can engage in discussions, hear from industry leaders, and participate in workshops on emerging trends and challenges. The conference fosters interdisciplinary collaboration to address global challenges and drive innovation, making it an essential gathering for anyone in the field.

Thanks and Best Regards,  
Physics Conference 2025  
Organizing Committee Members

# JOIN US SCIENTIFIC SESSIONS

## Day1 Scientific Session

Lasers, Optics & Photonics

Electromagnetics

Nanotechnology & Nanomaterials

Material Science & Engineering

High Energy Nuclear Physics

Atmospheric and Magnetospheric Sciences

Semiconductor Device

Atomic & Molecular Physics

Astro-Particle Physics & Cosmology

Biomedical Engineering & Biophysics

## Day2 Scientific Session

Quantum Physics

Structural Engineering

Data Analytics in Engineering

Theoretical, Experimental & Computational Physics

Cyber-Physical Systems

Thermodynamics & Statistical Physics

Robotics & Automation

Geophysics

Advanced Manufacturing & 3D Printing

Plasma Physics & Bio Physics

## Day3 Scientific Session

Tissue Engineering

Wireless Technologies

Theory of Relativity

Chemical Engineering

Optoelectronics and Electrical Engineering

Computational Physics & Engineering Simulations

Nanofabrication & Metamaterials

Magnetism & Magnetic Field

Renewable Energy & Sustainable Engineering

Fluid Dynamics & Statistical Physics

# Benefits For Attendees

1. A certificate of participation & appreciation will be given to the participants by the International Organizing Committee.
2. Opportunity to organize a workshop/symposium upon prior request
3. Publication of abstracts in conference souvenirs.
4. Translators will be available at the venue for translation into English.
5. Soft copy of the certificates will be sent upon prior request.
6. One best exhibitor will be awarded USD 1500.
7. Best 3 oral presentations will be awarded USD 1000 each.
8. Best 5 poster presentations will be awarded USD 500 each.
9. Special discount is available for group participants.
10. Conference pictures and videos will be shared with participants without any additional wages.

# About Kuala Lumpur, Malaysia

Kuala Lumpur, the bustling capital of Malaysia, is a dynamic metropolis known for its impressive skyline and vibrant cultural tapestry. Renowned for its iconic landmarks, such as the Petronas Twin Towers and Kuala Lumpur Tower, the city seamlessly blends modernity with rich historical charm. It serves as a melting pot of cultures, reflected in its diverse culinary scene, from street food stalls to upscale dining establishments. Kuala Lumpur also offers a mix of high-end shopping malls and lively markets, while its green spaces like KLCC Park provide respite from the urban hustle. As a major economic and cultural hub, Kuala Lumpur stands out for its energetic atmosphere, innovative spirit, and welcoming blend of tradition
