

## INTERNATIONAL CONFERENCE ON **ROBOTICS AND AUTOMATION**

Theme : AI-Driven Robotics & Automation: Shaping the Next Era of  
Technology

May 5-7, 2026

Tokyo, Japan

### Invitation

MindSpace Conferences is pleased to invite you to the International Conference on Robotics & Automation, scheduled for May 05-07, 2026, in Tokyo, Japan. Themed "AI-Driven Robotics & Automation: Shaping the Next Era of Technology," the conference will bring together global experts for keynote presentations, panel discussions, workshops, and a young researchers' forum. Attendees will gain insights into cutting-edge research, practical strategies, and the latest advancements in Robotics. This prestigious event offers opportunities to learn, share knowledge, and network with leading professionals in the field. We look forward to welcoming you and value your contribution to the discussions.

# Scientific Sessions

1. AI-Powered Robotics: The Future of Intelligent Automation
2. Cybersecurity & Ethics in Robotics
3. Autonomous Vehicles & Drones
4. Human-Robot Interaction
5. Healthcare Robotics
6. Industrial Robotics: Driving Automation & Efficiency
7. AI & Machine Learning in Robotics: Key Developments
8. Robotics in Agriculture
9. Robotics in Construction: Shaping the Future of Building
10. 3D Printing in Robotics and Automation
11. Future Innovations in Robotics & Automation
12. Robotics & Automation for Sustainability
13. Robotics in Defense & Space Exploration
14. AI-Powered Assistive Technologies
15. Medical & Assistive Robotics
16. Smart Manufacturing: Revolutionizing Production
17. Soft Robotics: Flexible, Adaptive Innovation
18. Humanoid & Social Robots: Improving Human Interaction
19. Underwater & Space Robotics
20. Swarm Robotics: Collective Power for Complex Tasks
21. Robotics for Disaster Response: Enhancing Safety and Efficiency
22. Robotic Exoskeletons: Boosting Mobility and Strength
23. Collaborative AI: Smarter, Cooperative Problem-Solving
24. Robotic Process Automation (RPA) in Business
25. Robotics in Warehousing & Logistics

## BENEFITS FOR ATTENDEES

1. A certificate of participation & appreciation will be given to the participants by the International Organizing Committee.
2. Complimentary one-night accommodation and 25% discount on travel airfare
3. Opportunity to organize a workshop/symposium upon prior request
4. Publication of abstracts in conference souvenirs.
5. One best exhibitor will be awarded USD 1500.
6. Best 3 oral presentations will be awarded USD 1000 each.
7. Best 5 poster presentations will be awarded USD 500 each.
8. Special discount is available for group participants.
9. Conference pictures and videos will be shared with participants without any additional wages.
10. Soft copy of the certificates will be sent upon prior request.

## About Tokyo, Japan

Tokyo, the capital of Japan, is a bustling metropolis and one of the world's most influential cities. Located on the eastern coast, it is the most populous city globally, with over 14 million residents. Tokyo seamlessly blends traditional culture with modern innovation, from the historic Senso-ji Temple to the futuristic Shibuya Crossing. Landmarks like Tokyo Tower and the Tokyo Skytree offer stunning views of the city's skyline. The city is a global tech hub, home to companies like Sony and Toshiba, and boasts an extensive, efficient public transportation system. Tokyo is renowned for its culinary scene, offering everything from Michelin-starred restaurants to delicious street food. Famous districts like Akihabara cater to electronics and anime fans, while Ginza and Harajuku are shopping meccas. Tokyo's parks and shrines, such as the Meiji Shrine, provide peaceful retreats amidst the urban sprawl. It's a safe, clean city, known for its low crime rates and high standard of living. Tokyo is also a fashion capital, setting trends in both high-end and street fashion. Overall, the city is a perfect blend of innovation, culture, and lifestyle.
