*Hampton By Hilton Rome North Fiano Romano,  
Rome, Italy*

# Invitation

Mindspace Conferences is delighted to invite you to attend the **"2nd International Conference on Stem Cell and Regenerative Medicine"** scheduled to be held in **Hampton By Hilton Rome North Fiano Romano, Rome, Italy** from **November 17-19 2025**. The conference will focus on the theme of "Advances in Stem Cell Research and Clinical Applications" and will feature quality sessions, case-based presentations, research assessments, and group discussions led by global researchers who are experts in providing practical tips for daily clinical practice and professional growth in the field of Stem Cell and Regenerative Medicine. The conference will cover a wide range of advanced research topics from basic to advanced, offering valuable insights into the latest advancements in the field. The detailed agenda of the Stem Cell Conference 2024 will include keynote presentations, oral sessions, panel discussions, poster presentations, workshops, symposiums, and a young researchers' forum, providing ample opportunities for learning, knowledge exchange, and networking. We look forward to welcoming you to this prestigious event and anticipate your valuable contribution to the discussions. Please kindly have a look at the tentative agenda for your reference. Thank you for considering our invitation, and we eagerly await your confirmation of attendance.

Thanks and Best Regards,

## About Rome, Italy

Rome, the capital city of Italy, is a vibrant metropolis steeped in history, culture, and architectural splendor. Known as the "Eternal City," Rome was once the heart of the powerful Roman Empire and is home to iconic landmarks such as the Colosseum, the Roman Forum, and the Pantheon. The city is also a major center for Christianity, hosting Vatican City, the independent state that serves as the spiritual headquarters of the Roman Catholic Church and the residence of the Pope. Visitors to Rome can stroll through charming cobblestone streets, enjoy world-class cuisine, and admire stunning Renaissance and Baroque art in its many museums and churches. With its unique blend of ancient ruins, modern life, and religious significance, Rome remains one of the most captivating and historically rich cities in the world.
